Leon Edwards

NAME	Leon Edwards
COMPANY	Landcraft Group
POSITION	Director
PREVIOUS CAREER & KEY SKILLS	Started in marketing, then ran a business for 3M, then a Group of private companies before buying my own companies.
TARGET INVESTMENT AREA	Lots of idea - but I've decided to come to this with an open mind.
CORE STRATEGY	This is about passive income to provide 'insurance' against the other investments that I have. The strategy is to develop assets over the next 7-10 years and hold them for retirement income.
INTERESTS	<p>No kids (just dogs!) so my motivations aren't legacy based - having said that we do have people and four charities we want to leave money/property/business to.</p> <p>I'm focused on living my life: travel, food, experiences, and helping friends/family.</p>
