## CORE STRATEGY

With M.o.a.t Construction we focus on High-end residential redevelopments with contract value from 100k to 1million.

We deliver turn-key redevelopments undertaking or managing all aspects of the build from foundations to key handover to clients.

With Xylem homes i am in the process of making offers to potential sites with my team and awaiting offer acceptance to get this off the ground. I focus on return on investment and live and breath construction.
